

Research Assistant--Office of the Historian

VIRTUAL STUDENT FEDERAL SERVICE

Project Title	Research Assistant--Office of the Historian
Project Summary	Conduct research in support of the Foreign Relations of the United States (FRUS) historical documentary series, the official documentary record of US foreign policy
Country	United States

Project Description

You will conduct research on specific topics in US foreign policy and write a three to five page paper for each topic assigned, from one to three projects during the course of the internship. Papers should describe the significant issues affecting US policy and be based primarily on declassified US government documentation.
